2020/51174514/31225294 - URGENT

The Embassy of the Republic of Turkey presents its compliments to the Ministry of Agriculture and Rural Development of the Socialist Republic of Vietnam and has the honor to convey the following information by the Turkish Ministry of Agriculture and Forestry.

Regarding the COVID-19, a number of safety precautions have been taken in order to protect the health of Turkish control officials, as well as to ensure the safe continuance of agricultural product and food trade. Therefore, starting from 25 March 2020, the signed and sealed copies of Health Certificates that normally accompany the imported products will no longer be required to be present, provided that they are electronically sent by the issuing authority to the relevant Turkish District Agriculture and Forestry Directorate.

In this regard, if the scanned versions of sealed and signed health certificates which accompany to the said products are sent to the official e-mail address (Provincial License Plate Code.gidayem@tarimorman.gov.tr, for instance, for Ankara Provincial Directorate of Agriculture and Forestry: 06.gidayem@tarimorman.gov.tr) of the relevant Provincial Directorate of Agriculture and Forestry by the competent authority, official control procedures will be carried out without the originals of the certificates.

The Provincial License Plate Codes are attached herewith. It would be highly appreciated if the esteemed Ministry could kindly transmit the abovementioned information to the relevant Vietnamese authorities.

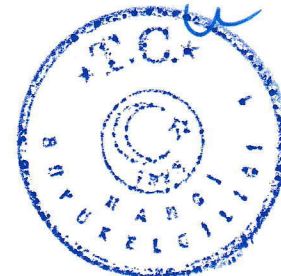

The Embassy of the Republic of Turkey avails itself of this opportunity to renew to the Ministry of Agriculture and Rural Development of the Socialist Republic of Vietnam the assurances of its highest consideration.
